www.frogans.org

Frogans

Open standard for the Internet

フロガンズ

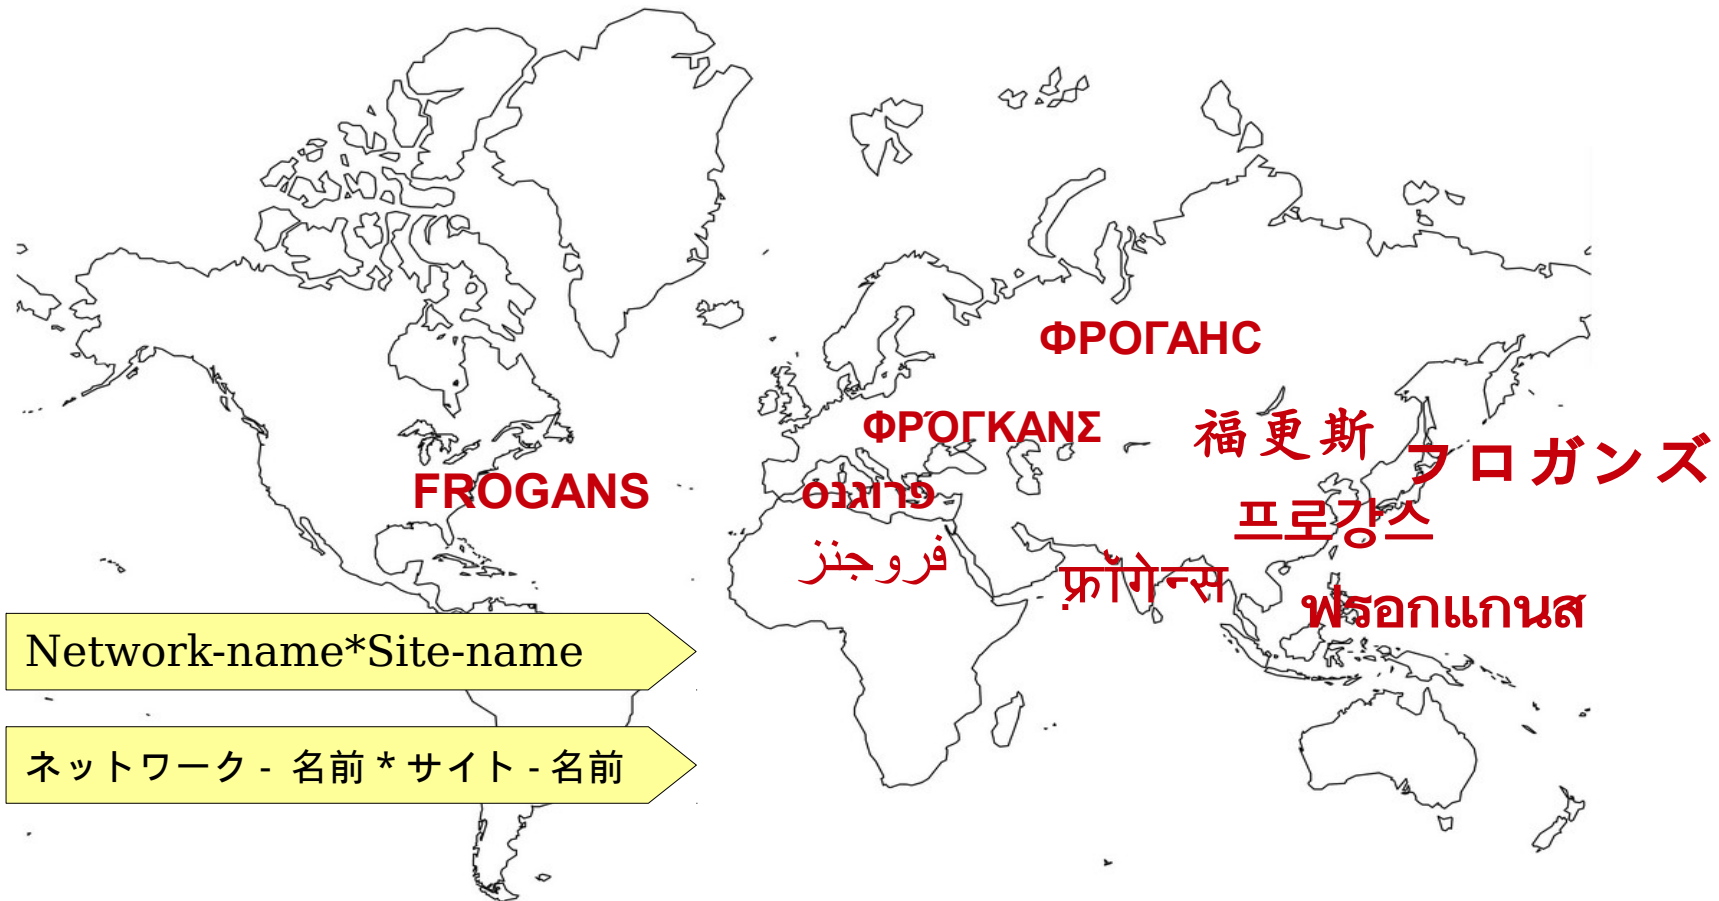

インターネットのためのオープンスタンダード

Frogans sites: small, secure, multi-platform, multi-device

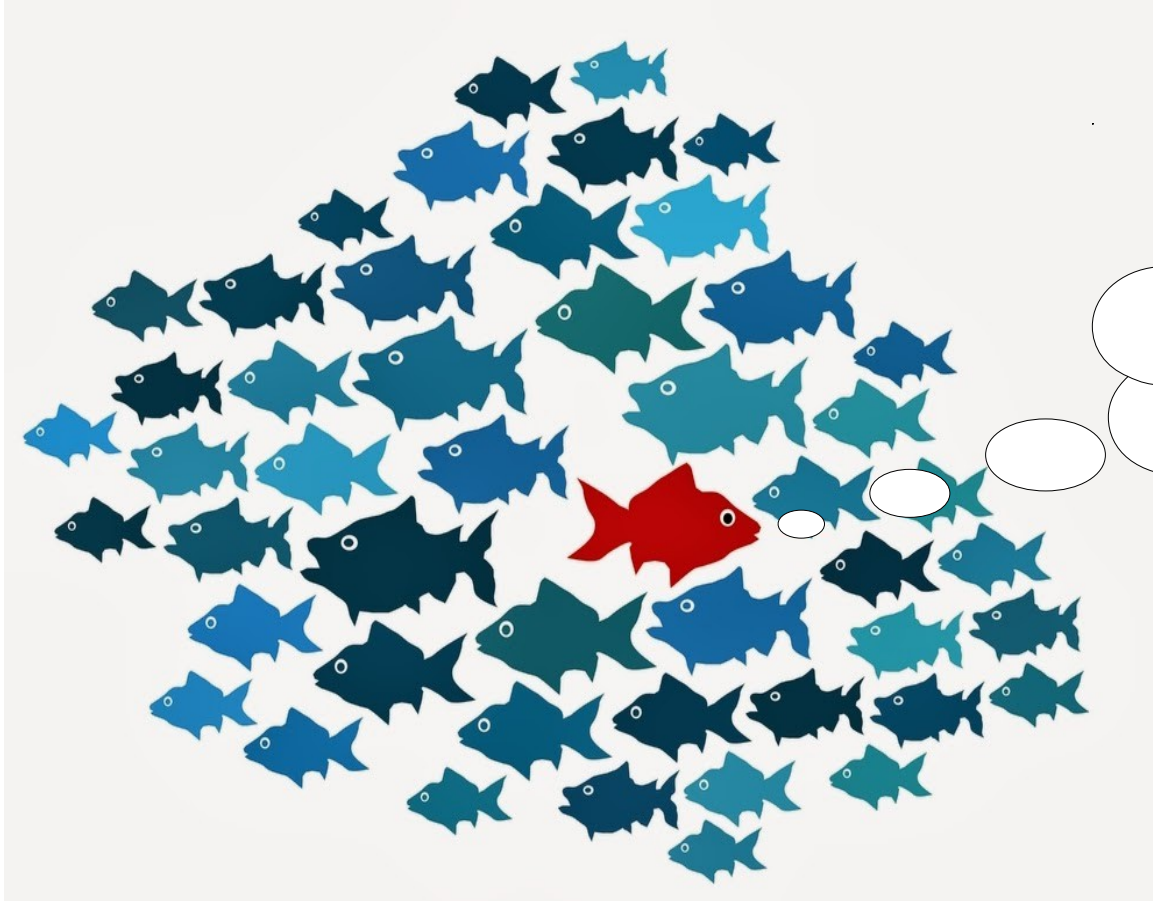

- Publication of a new type of site with a new international addressing system
- Same browsing experience and display across all devices
- Sites viewable via Frogans Player downloadable free of charge from the OP3FT

A project for unleashing the creativity of Internet users worldwide

- International project
- Led by the OP3FT, Paris-based non-profit with public interest mission
- Technology deployed in the form of an open standard for the Internet

A project for innovation and business creation

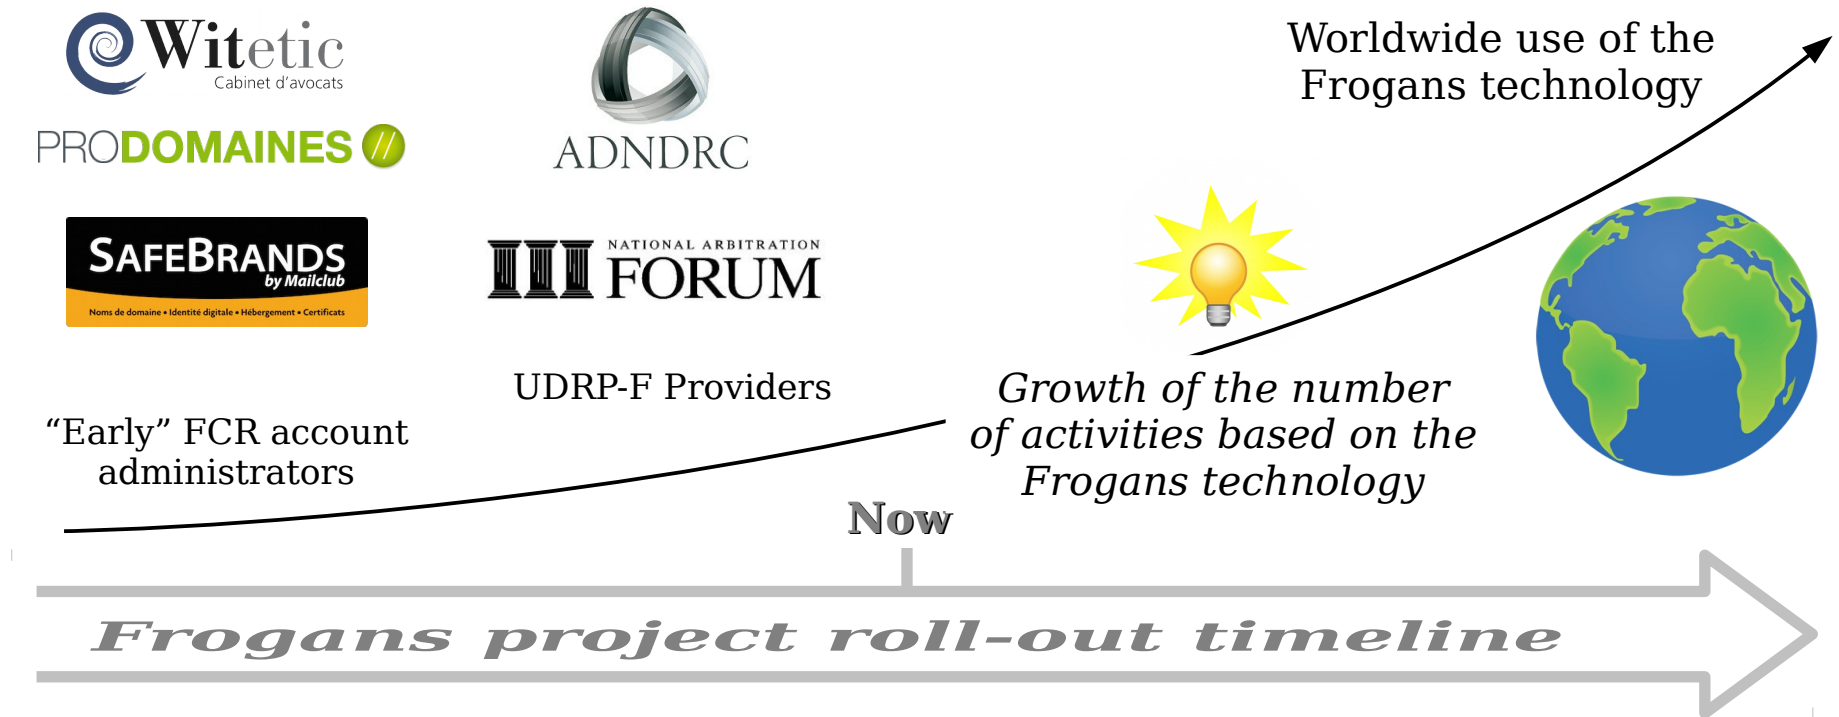

フロガンズプロジェクト
トへようこそ

project.frogans.org

- Open space for innovation
- Simple and Secure
- New opportunities for developers, designers, entrepreneurs, trademark holders

Roll out of the Frogans project

- Global awareness campaign is in progress (INTA, ICANN, etc.)
- Network name registrations available soon (dedicated Frogans networks)
- Opportunity to become FCR account administrators

Thank you!

ありがとうございました。
